

Product Brief

# HP Poly Edge V400 Series

HP Poly Edge V400 Series phones ensure high-quality sound and reduce background noise for better calls, in busy office environments.

## HP Poly NoiseBlockAI

Effectively eliminate background noise once and for all. HP Poly NoiseBlockAI v3 uses AI and machine learning to identify and block noises ranging from barking dogs to keyboard typing, ensuring a distraction free call.

## Quick status indicators

Stay Informed with style. These desk phones come with a multi-color light bar status indicator on the screen.

## Fast, discrete, secure.

Give teams the assurance to alert security with a single button, keeping the call hidden from the interface to protect the user and those nearby. The HP Poly Edge V400 Series Open SIP desk phones include built-in emergency features designed for speed and discretion

## Screen and Line Support

Effortlessly handle multiple calls on a 3.5" color display, 8-line keys support up to 32 lines, and contacts. Increase supported lines by adding one optional expansion modules.

## Purposefully Designed. Responsibly Made.

The HP Poly Edge V Series is certified for both Energy Star and TCO 10 ensuring energy savings and comprehensive environmental and social measurements across the entire product life cycle.

Containing at least 35% recycled plastics<sup>1</sup> and shipped in paper-based packaging<sup>2</sup>, these desk phones enable more impactful meetings with less impact on the environment.

## Additional Accessories

### Expansion Module

Additional 66-line compatibility over 3 pages. HP Poly Edge V400 Series supports one expansion modules.

### Wall Mount Kit

Designed for flexible wall mounting options.

### Power Supply

Optional wall PSU adapter if not using USB-C or PoE power.
