SOFTWARE LICENSE AGREEMENT

Mitel, hereinafter known as "Seller", grants to Customer a personal, worldwide, non-transferable, non-sublicenseable and non-exclusive, restricted use license to use Software in object form solely with the Equipment for which the Software was intended. This Product may integrate programs, licensed to Mitel by third party Suppliers, for distribution under the terms of this agreement. These programs are confidential and proprietary, and are protected as such by copyright law as unpublished works and by international treaties to the fullest extent under the applicable law of the jurisdiction of the Customer. In addition, these confidential and proprietary programs are works conforming to the requirements of Section 401 of title 17 of the United States Code. Customer shall not disclose to any third party such confidential and proprietary programs and information and shall not export licensed Software to any country except in accordance with United States Export laws and restrictions.

Customer agrees to not reverse engineer, decompile, disassemble or display Software furnished in object code form. Customer shall not modify, copy, reproduce, distribute, transcribe, translate or reduce to electronic medium or machine readable form or language, derive source code without the express written consent of the Seller and its Suppliers, or disseminate or otherwise disclose the Software to third parties. All Software furnished hereunder (whether or not part of firmware), including all copies thereof, are and shall remain the property of Seller and its Suppliers and are subject to the terms and conditions of this agreement. All rights reserved.

Customer's use of this software shall be deemed to reflect Customer's agreement to abide by the terms and conditions contained herein. Removal or modification of trademarks, copyright notices, logos, etc., or the use of Software on any Equipment other than that for which it is intended, or any other material breach of this Agreement, shall automatically terminate this license. If this Agreement is terminated for breach, Customer shall immediately discontinue use and destroy or return to Seller all licensed software and other confidential or proprietary information of Seller. In no event shall Seller or its suppliers or licensors be liable for any damages whatsoever (including without limitation, damages for loss of business profits, business interruption, loss of business information, other pecuniary loss, or consequential damages) arising out of the use of or inability to use the software, even if Seller has been advised of the possibility of such damages.

WELCOME

Congratulations on your purchase of the Mitel M680i Expansion Module! The M680i Expansion Module is designed to increase the power and flexibility of the 6800i Series IP telephones. Up to three modules can be used with the 6865i, 6867i, and 6869i phones to create a powerful, feature rich console option.

6865i

6867i

6869i

Modules share power and signaling with the phone, eliminating the need for additional wiring. Designed for receptionists, administrative assistants, call center agents, power users, and executives who need to monitor and manage a large volume of calls on a regular basis, the M680i Expansion Module provides an intelligent choice for all enterprise IP environments.

EXPANSION MODULE FEATURES

- Low cost expansion module option for both the 6865i, 6867i, and 6869i IP phones
- 16 programmable keys with LEDs
- Paper key card for convenient key labeling
- Daisy chain up to three modules
- Powered by the Mitel phone (no separate power adapter required)
- Intelligent design automatically changes the Power over Ethernet (PoE) class when connected

ABOUT THIS GUIDE

This manual describes how to physically set up and install your new M680i Expansion Module. Contact your system administrator if you have any questions with regards to the M680i Expansion Module or the 6865i, 6867i, and 6869i IP phones.

EXPANSION MODULE PARTS

When you unpack the M680i Expansion Module package, you should ensure that you have all of the following items. If any part is missing, contact the supplier of your phone.

HARDWARE FEATURES

INSTALLATION

The M680i Expansion Module connects to the right side of the 6865i, 6867i, and 6869i IP phone via the connector plate.

CONNECTING THE M680I EXPANSION MODULE TO YOUR PHONE

Use the following procedure to connect the M680i Expansion Module to your IP phone:

1. Locate and remove the two connector plate insertion area rubber caps on the right side of the phone.

2. Turn your phone over so that the back of the phone is facing you.
3. Turn your M680i Expansion Module over so that the back of the module is facing you.
4. If connecting the module to the 6865i, using a #2 Philips head screwdriver, insert the two 8mm screws in the holes labelled B and C and proceed to Step 4.

or

If connecting the module to the 6867i or 6869i, extend the connector plate by gently pulling the connector plate to the right and using a #2 Philips head screwdriver, screw in the two 8mm screws in the holes labelled A and C.

Unextended Connector Plate (6865i)

Extended Connector Plate (6867i/6869i)

5. Connect the M680i Expansion Module to your phone using the connector plate as indicated in the illustration below.

6. Using a #2 Philips head screwdriver, screw in the 6mm screw into the hole labelled D.

ATTACHING THE STAND

1. Locate the stand insertion area on the back of the M680i Expansion Module.
2. Carefully insert the stand into the insertion area and slide the stand towards the right until it snaps in place.

Note: The orientation of the stand determines the viewing angle. If the bottom of the stand is installed facing the top of the module the viewing angle will be 35°. If the bottom of the stand is installed facing the bottom of the module the viewing angle will be 55°. The orientation of the module's stand must match the orientation of the phone's stand.

3. Turn over both units so that they are sitting face up on the desk with the M680i Expansion Module sitting flush against the right side of the phone.

INSERTING THE KEY CARD

The key card contains label identification spaces for the 16 programmable keys.

1. Insert the paper key card into the programmable key card slot on the front panel of the M680i Expansion Module using the indentation of the plastic for alignment.

2. Place the plastic cover over the paper key card ensuring the plastic cover tabs are inserted into their respective slots.

3. Press the plastic cover down firmly to even out and secure the plastic cover to the M680i Expansion Module.

ATTACHING MULTIPLE M680i EXPANSION MODULES

Multiple M680i Expansion Modules (up to a total of three) can be daisy-chained to a phone providing an additional 48 programmable keys.

Use the following procedure to connect additional M680i Expansion Modules to your IP phone:

1. Turn your phone and connected M680i Expansion Module over so that the back is facing you.
2. Turn your additional M680i Expansion Module(s) over so that the back of the module(s) is/are facing you.

3. Connect the additional M680i Expansion Module(s) to your initial M680i Expansion Module using the connector plate(s) as indicated in the illustration below.

4. Using a #2 Philips head screwdriver, screw in the 6mm screw(s) into the hole(s) labelled D.

UPGRADES, CONFIGURATION, AND USAGE

UPGRADING THE M680I EXPANSION MODULE

The M680i does not require a separate firmware package. M680i software is embedded within the respective phone's firmware package.

When the M680i is connected and is powered up, the LED corresponding to the second button on the module will turn solid red and the module will check to see if an upgrade is required. If it does not have the latest software, the module will upgrade itself using the phone's embedded firmware. This process will take approximately 10 seconds, in which case the LED corresponding to the second button on the M680i will stay solid red for the duration. If the upgrade is successful, the LED will turn green. If the LED stays solid and red for longer than 10 seconds, the upgrade may have failed. In such scenarios, unplug and reattach the power source from the phone to attempt the upgrade again.

As software upgrades are performed one at a time, each additional M680i connected increases the approximate upgrade time by 10 seconds (e.g. three connected M680i expansion modules will take approximately 30 seconds to upgrade).

CONFIGURING THE M680I EXPANSION MODULE

The M680i Expansion Module programmable keys supports a multitude of different functions. You can configure the keys using the Mitel Web UI at the path, **Operation->Expansion Module <N>** (where N is the module number) when modules are attached to the 6865i, 6867i, or 6869i IP phone.

LIMITED WARRANTY

(Not applicable in Australia – see below for Limited Warranty in Australia)

Mitel warrants this product against defects and malfunctions in accordance with Mitel's authorized, written functional specification relating to such products during a one (1) year period from the date of original purchase ("Warranty Period"). If there is a defect or malfunction, Mitel shall, at its option, and as the exclusive remedy, either repair or replace the product at no charge, if returned within the Warranty Period. If replacement parts are used in making repairs, these parts may be refurbished, or may contain refurbished materials. If it is necessary to replace the product, it may be replaced with a refurbished product of the same design and color. If it should become necessary to repair or replace a defective or malfunctioning product under this warranty, the provisions of this warranty shall apply to the repaired or replaced product until the expiration of ninety (90) days from the date of pick up, or the date of shipment to you, of the repaired or replacement product, or until the end of the original Warranty Period, whichever is later. Proof of the original purchase date is to be provided with all products returned for warranty repairs.

EXCLUSIONS

Mitel does not warrant its products to be compatible with the equipment of any particular telephone company. This warranty does not extend to damage to products resulting from improper installation or operation, alteration, accident, neglect, abuse, misuse, fire or natural causes such as storms or floods, after the product is in your possession. Mitel will not accept liability for any damages and/or long distance charges, which result from unauthorized and/or unlawful use.

Mitel shall not be liable for any incidental or consequential damages, including, but not limited to, loss, damage or expense directly or indirectly arising from the customer's use of or inability to use this product, either separately or in combination with other equipment. This paragraph, however, shall not apply to consequential damages for injury to the person in the case of products used or bought for use primarily for personal, family or household purposes.

This warranty sets forth the entire liability and obligations of Mitel with respect to breach of warranty, and the warranties set forth or limited herein are the sole warranties and are in lieu of all other warranties, expressed or implied, including warranties or fitness for particular purpose and merchantability.

WARRANTY REPAIR SERVICES

Should the product fail during the Warranty Period;

- **In North America**, please call 1-800-574-1611 for further information.
- **Outside North America**, contact your sales representative for return instructions.

You will be responsible for shipping charges, if any. When you return this product for warranty service, you must present proof of purchase.

AFTER WARRANTY SERVICE

Mitel offers ongoing repair and support for this product. This service provides repair or replacement of your Mitel product, at Mitel's option, for a fixed charge. You are responsible for all shipping charges. For further information and shipping instructions:

- **In North America**, contact our service information number: 1-800-574-1611.
- **Outside North America**, contact your sales representative.

Note: Repairs to this product may be made only by the manufacturer and its authorized agents, or by others who are legally authorized. This restriction applies during and after the Warranty Period. Unauthorized repair will void the warranty.

LIMITED WARRANTY (AUSTRALIA ONLY)

The benefits under the Mitel Limited Warranty below are in addition to other rights and remedies to which you may be entitled under a law in relation to the products.

In addition to all rights and remedies to which you may be entitled under the *Competition and Consumer Act 2010* (Commonwealth) and any other relevant legislation, Mitel warrants this product against defects and malfunctions in accordance with Mitel's authorized, written functional specification relating to such products during a one (1) year period from the date of original purchase ("Warranty Period"). If there is a defect or malfunction, Mitel shall, at its option, and as the exclusive remedy under this limited warranty, either repair or replace the product at no charge, if returned within the Warranty Period.

REPAIR NOTICE

To the extent that the product contains user-generated data, you should be aware that repair of the goods may result in loss of the data. Goods presented for repair may be replaced by refurbished goods of the same type rather than being repaired. Refurbished parts may be used to repair the goods. If it is necessary to replace the product under this limited warranty, it may be replaced with a refurbished product of the same design and color.

If it should become necessary to repair or replace a defective or malfunctioning product under this warranty, the provisions of this warranty shall apply to the repaired or replaced product until the expiration of ninety (90) days from the date of pick up, or the date of shipment to you, of the repaired or replacement product, or until the end of the original Warranty Period, whichever is later. Proof of the original purchase date is to be provided with all products returned for warranty repairs.

EXCLUSIONS

Mitel does not warrant its products to be compatible with the equipment of any particular telephone company. This warranty does not extend to damage to products resulting from improper installation or operation, alteration, accident, neglect, abuse, misuse, fire or natural causes such as storms or floods, after the product is in your possession. Mitel will not accept liability for any damages and/or long distance charges, which result from unauthorized and/or unlawful use.

To the extent permitted by law, Mitel shall not be liable for any incidental damages, including, but not limited to, loss, damage or expense directly or indirectly arising from your use of or inability to use this product, either separately or in combination with other equipment. This paragraph, however, is not intended to have the effect of excluding, restricting or modifying the application of all or any of the provisions of Part 5-4 of Schedule 2 to the Competition and Consumer Act 2010 (**the ACL**), the exercise of a right conferred by such a provision or any liability of Mitel in relation to a failure to comply with a guarantee that applies under Division 1 of Part 3-2 of the ACL to a supply of goods or services.

This express warranty sets forth the entire liability and obligations of Mitel with respect to breach of this express warranty and is in lieu of all other express or implied warranties other than those conferred by a law whose application cannot be excluded, restricted or modified. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

WARRANTY REPAIR SERVICES

Procedure: Should the product fail during the Warranty Period and you wish to make a claim under this express warranty, please contact the Mitel authorized reseller who sold you this product (details as per the invoice) and present proof of purchase. You will be responsible for shipping charges, if any.

Manufacturer: Mitel Networks Corporation

Limitation of Liability for Products not of a kind ordinarily acquired for personal, domestic or household use or consumption (e.g. goods/services ordinarily supplied for business-use)

1.1 To the extent permitted by law and subject to clause 1.2 below, the liability of Mitel to you for any non-compliance with a statutory guarantee or loss or damage arising out of or in connection with the supply of goods or services (whether for tort (including negligence), statute, custom, law or on any other basis) is limited to:

- a.** in the case of services:
 - i.** the resupply of the services; or
 - ii.** the payment of the cost of resupply; and
- b.** in the case of goods:
 - i.** the replacement of the goods or the supply of equivalent goods; or
 - ii.** the repair of the goods; or
 - iii.** the payment of the cost of replacing the goods or of acquiring equivalent goods; or
 - iv.** the payment of the cost of having the goods repaired.

1.2 Clause 1.1 is not intended to have the effect of excluding, restricting or modifying:

- a.** the application of all or any of the provisions of Part 5-4 of Schedule 2 to the Competition and Consumer Act 2010 (**the ACL**); or
- b.** the exercise of a right conferred by such a provision; or
- c.** any liability of Mitel in relation to a failure to comply with a guarantee that applies under Division 1 of Part 3-2 of the ACL to a supply of goods or services.

AFTER WARRANTY SERVICE

Mitel offers ongoing repair and support for this product. If you are not otherwise entitled to a remedy for a failure to comply with a guarantee that cannot be excluded under the Australian Consumer Law, this service provides repair or replacement of your Mitel product, at Mitel's option, for a fixed charge. You are responsible for all shipping charges. For further information and shipping instructions contact:

Mitel Networks Corporation
745 Springvale Road
Mulgrave VIC 3170
