

A black Plantronics CS500 Series DECT headset is shown on its charging base. The headset has a silver-colored earpiece and a silver-colored boom microphone. The base is black with a silver-colored charging port and a power button. The Plantronics logo is visible on the base. The background is a dark blue gradient.

Lightest DECT™ headset
on the market

Multitask hands-free
up to 350 feet

plantronics®

Another CS family headed for the
bestseller list

CS500™ Series

New look, improved performance, same reliability. Fall in love all over again with the new CS wireless headset series.

CS500 Series

Another CS family headed for the bestseller list. Plantronics legendary CS family is setting a new wireless standard for desk phone communication with the CS500 Series. The new system features the lightest DECT headset on the market, a new streamlined design and improved performance all with the same reliability for hands-free productivity that has made the CS family a bestseller for nearly a decade.

SUPERIOR COMFORT AND CALL MANAGEMENT

- Gain mobility—multitask hands-free up to 350 feet
- One-touch call answer/end, vol +/- and mute
- Conference in up to three additional headsets for enhanced collaboration
- CS540 convertible headset offers a choice of three* comfort-tested wearing options to match your personal style
- Use with Electronic Hookswitch Cable or Handset Lifter to remotely answer/end calls

OUTSTANDING AUDIO QUALITY

- DECT technology provides better audio; eliminates interference from Wi-Fi networks
- Advanced wideband audio using CAT-iq technology for high definition voice quality
- Noise-canceling microphone reduces background noise interruptions, ensuring great audio quality and easing listener fatigue
- Enhanced Digital Signal Processing (DSP) provides more natural sounding voice

RECOMMENDED ACCESSORIES

- HL10 Handset Lifter adds remote call answer/end convenience
- Electronic Hookswitch Cable electronically adds remote answer/end convenience, eliminating the need for a Handset Lifter
